

Welcome to **Mi Casa Su Casa**, we are super excited for your event today!

Here are some fun facts about the venue:

1. Chalk Wall: You are free to create your own art on the chalk wall next to the refrigerator. We ask that you please keep the artwork of our logo on the upper right-hand corner. Chalk is available in the bottom drawer to the left of the sink. If you would like for us to create something for you, just let us know ahead of time and we will be more than happy to do so.
2. The word wall between the two bathrooms is free for use as well. You can find these letters in the same drawer as the chalk. Again, we can also create this for you ahead of time, just let us know.
3. All extra bathroom supplies can be found in the top drawer to the left of the kitchenette sink.
4. All miscellaneous supplies, clips, magnets, glue gun, scissors, etc. can be found in the top skinny drawer of the kitchenette.
5. Miscellaneous party supplies such as cutlery, napkins, cups, and plates that have been leftover from previous parties are available for your use in the event that you have run out of your own supplies. These can be found throughout the remaining drawers in the kitchenette.
6. You are free to use any of the serveware and vases that are located in the kitchen, we just ask that you clean and put them away after using. Please do not use the charcuterie boards that are on display on the kitchen wall, we would like for these to remain as venue decor.

7. All cleaning supplies can be found under the sink in the kitchenette.
8. A broom & dustpan and mop with mop bucket can be found in the back storage room.
9. You are free to use any of the decor in the back storage room that is located on the wooden shelves. Everything else is to be left off limits in the office/storage room. We kindly ask you to please respect this.
10. Wifi is located on site, the credentials are as follows:
Network: MiCasaSuCasa
Password: Charlie7450!
11. The provided speakers are bluetooth. With your bluetooth enabled device, simply search for PYLE.
12. We recommend placing balloons or an event sign at the front entry so guests can find your party. As we are a new location, we are currently working with Google & Apple companies for map & address updating to resolve this issue; we apologize for any inconvenience.
13. If you should have any questions or concerns, please feel free to text/call Sylvia McDonald (713) 503- 3887 or Ben McDonald (281) 900-6519. We hope you really & truly enjoy hosting your event at Mi Casa Su Casa!
